

PARTNER SEARCH OCTOBER 2015

Programme	Call Identifier	Deadline call	Theme	Project title/Topic	Link to the partner search	Leader organization
H2020	NA	31/10/2015	Learning and skills	Intelligent learning environment for the acquirement of 21st century research skills	Ask Consulta Europa	KU Leuven Campus Brussels
Erasmus+	Key Action 2: Strategic partnership	31/10/2015	Digital Skills	Learning for work: Relevance and quality of non-formal and informal learning acquired on social Networks as a profit tool for employability and growth of labor market	Ask Consulta Europa	Empreend, Portugal
H2020	PILOTS-01-2016-two-stage	08/12/2015	Industry 2020 in the Circular Economy	Pilot lines for manufacturing of nano-enabled multifunctional materials with customized thermal/electrical conductivity properties.	https://cordis.europa.eu/partners/web/req-19015	Kai Søndergaard (Denmark)
H2020	MSCA-ITN-2016	12/01/2016	Marie Skłodowska-Curie Innovative Training Networks (ITN-ETN) on Plant Signalling mechanisms during abiotic stress responses.	A Greek research team is planning to re-submit a proposal on plant resistance to abiotic stress, under the MSCA-ITN-2016-ETN call with deadline 12/01/2016. The consortium includes partners from Germany, UK, Italy, Greece, Israel and Spain. They are looking for Industrial partners as well as additional partners from Universities, and Research organizations, with expertise in plant signal transduction mechanisms and stress responses at a cellular and molecular level.	http://een.ec.europa.eu/tools/services/PRO/Profile/Detail/c7093340-a70a-4817-84ed-b42949933142?Orgald=be00008	Greek research team

H2020	SC5-21-2016-2017	08/03/2016	Heritage-led urban regeneration	Evaluate existing and initiate projects demonstrating how to reuse heritage in an innovative and creative way	Ask Consulta Europa	Consortium of Wout v d Toorn Vrijthoff, Delft University of Technology, Dag Kittang, Norwegian University of Science and Technology
H2020	SCC-02-2016-2017	08/03/2016	Demonstrating innovative nature-based solutions in cities	Improving economic, social and environmental benefits of urban subsurface resources and ESS by informed smart use of the subsurface.	Ask Consulta Europa	Johannes de Beer, Geological Survey of Norway, Public Authority representing the NAG-CITY consortium
H2020	SC1-PM-09-2016	13/04/2016	Societal Challenge: New therapies for chronic diseases	Research institute or university requested to participate in a proposal regarding substitution of insulin with novel metallodrugs exhibiting insulinomimetic activity.	http://een.ec.europa.eu/tools/services/PRO/Profile/Detail/c0764370-ccaf-4b4b-b8f8-81cbc9e496f4?Orgald=be00008	University (Greece)
